

Lasting Impressions

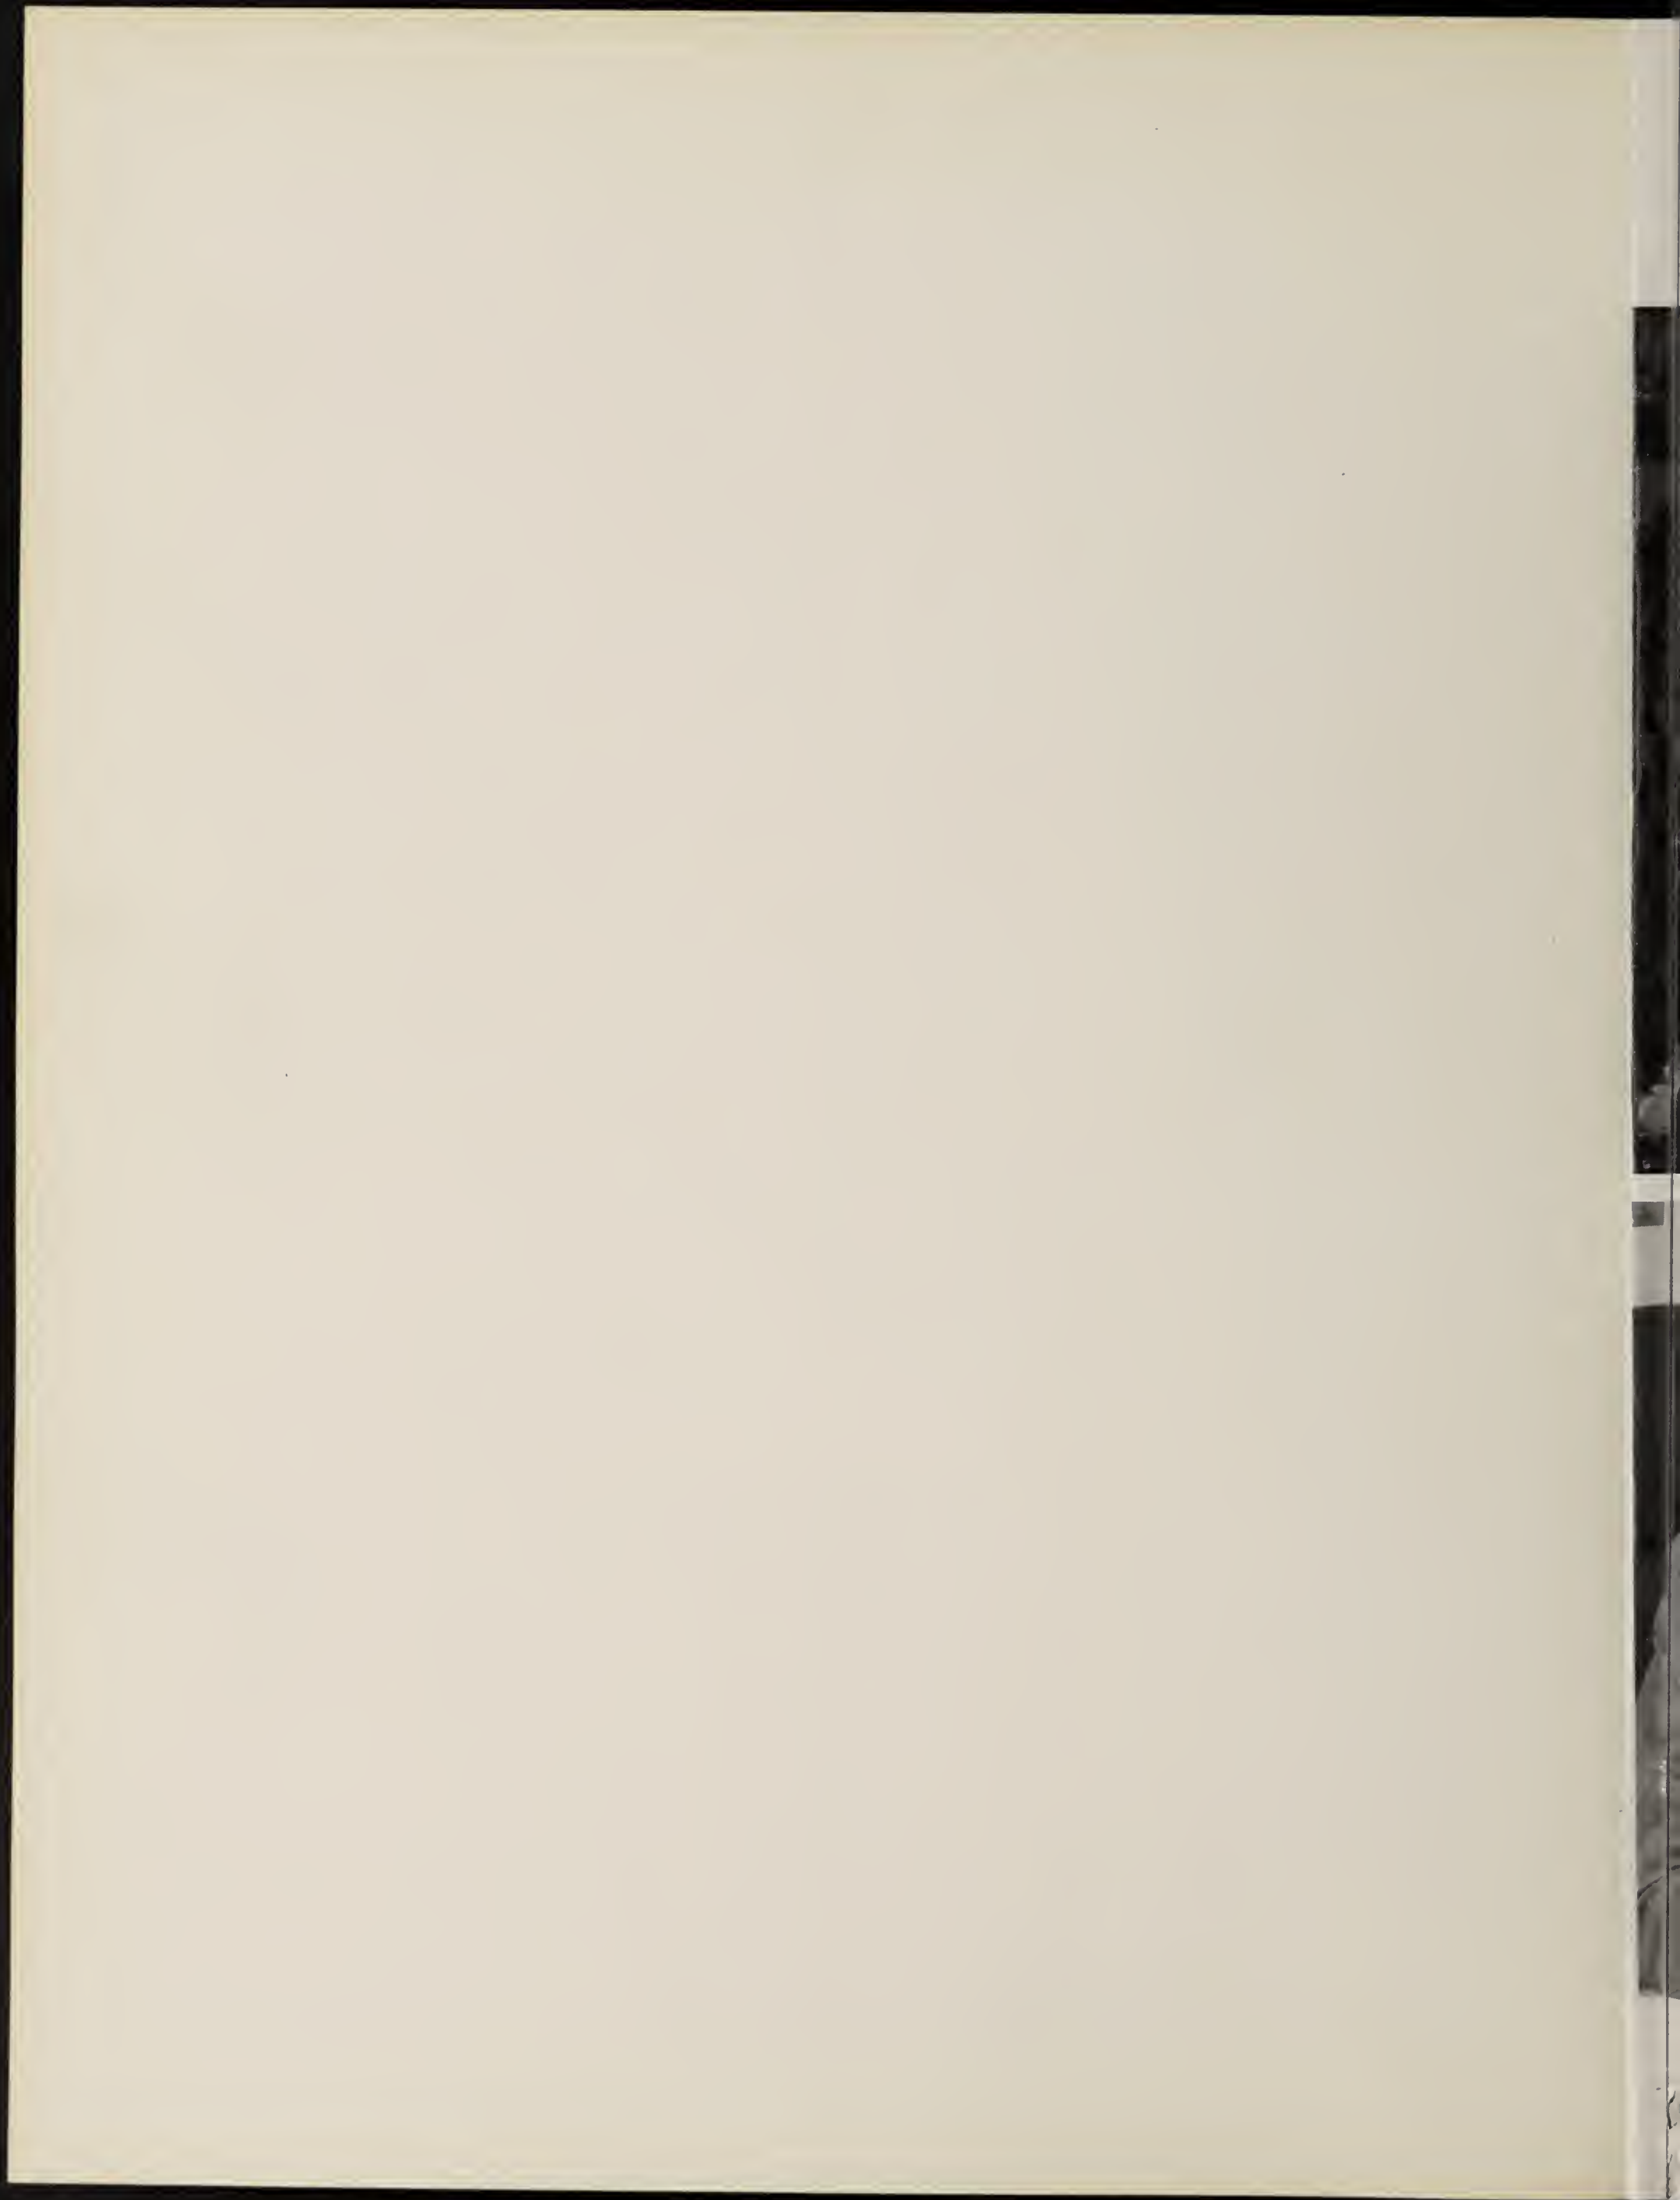

MAROON '86

Class of 1986

Leicester High School
Winslow Ave
Leicester, MA 01524

To The Class Of 1986

You are to be commended and congratulated for your outstanding achievements. Most of you have been inspired by an urgent need to accept the responsibility of developing emotionally, socially and intellectually. May your actions and activities reflect feelings of self-worth and confidence.

Invest yourself in worthy thoughts that lead to peace. Give in harmony and see others in their beauty and dignity. See everyone in the light of their worthiness. Contemplate yourself as an infinite possibility, grasp and develop the new and better ideas that flow through your thinking. You have gained knowledge, experience, maturity and respect. On behalf of the faculty and staff, best wishes for continued success, good health and lifelong happiness.

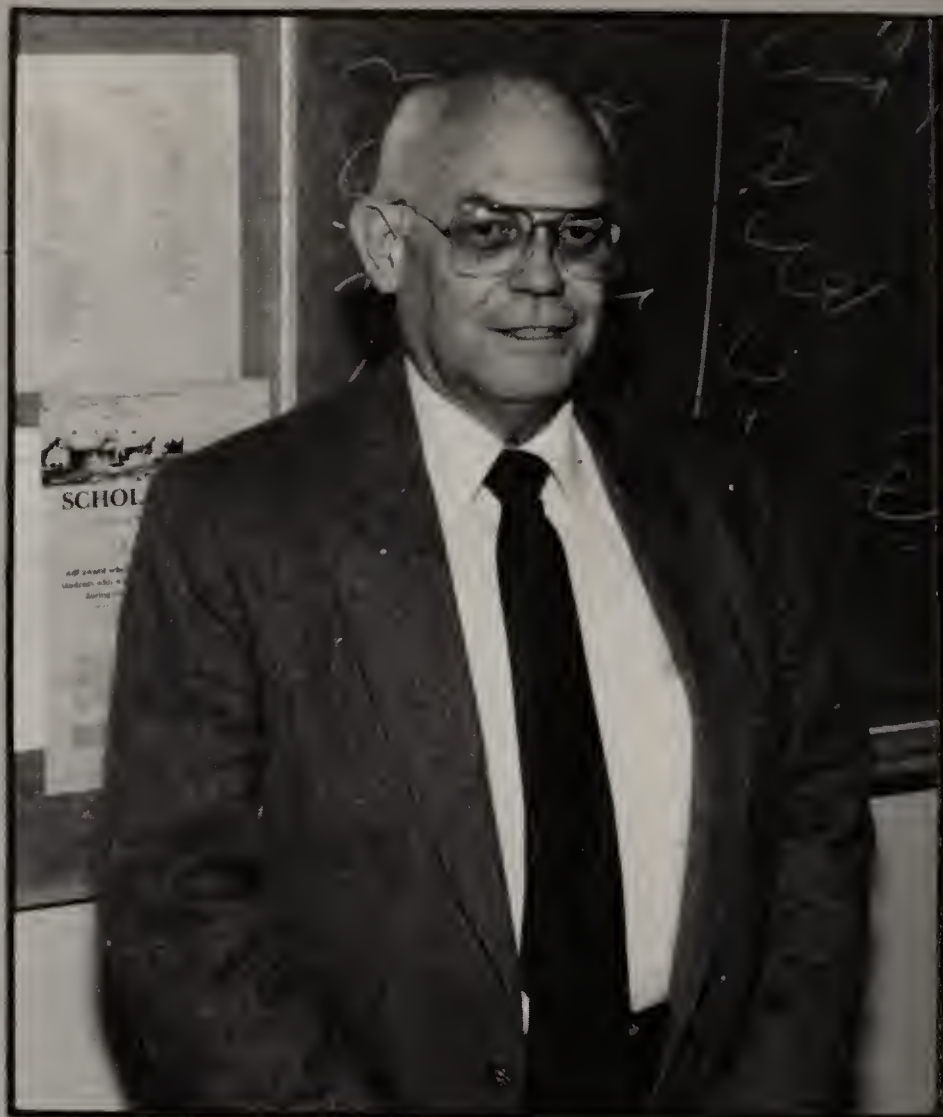

OUR DEDICATION TO:

We, the class of 1986 dedicate the Maroon yearbook to two special beneficial members of our faculty, Mr. Robert Giddings, and Mr. Richard Hennessy. These are two fine individuals who display dedication and concern to all who need their help.

They not only are our teachers, but they are our friends and show that they care not only about us, but about our lives. When they are faced with what seems like impossible situations, they strive to achieve their goal, while helping us with our problems.

The senior class would like to thank Mr. Hennessy and Mr. Giddings for all they have done for us. It is both an honor and a pleasure to dedicate this yearbook to them. We wish them the best of luck and happiness in the years to come.

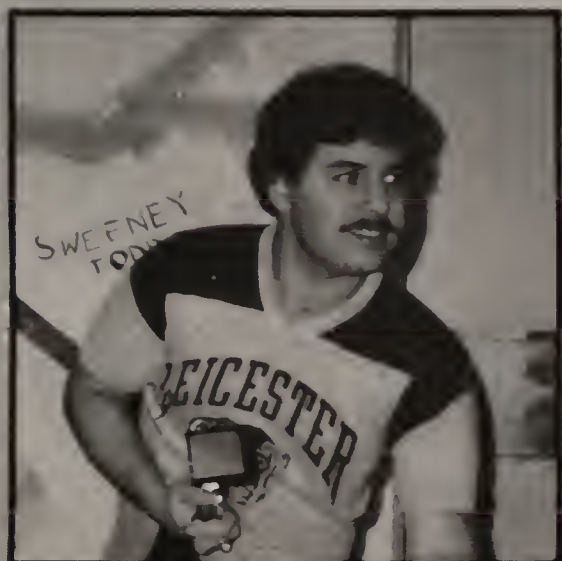

Love,
The Class of 1986

THE YEARBOOK STAFF

TOP ROW L. TO R. B. COSTELLO, A. PARTENHEIMER, P. VERICK, T. NAVAROLI, K. BARRY. **MIDDLE ROW L. TO R.** C. WILSON, K. McNAMARA, M. JACQUES, K. FITZGERALD, C. SPRING, J. RODRIQUE, P. VERICK, C. ALLEN. **SITTING** S. BERRYMAN.

WE REMEMBER:

The class of 1986 experienced tragic losses on both a personal and a national level. We began our senior year with the loss of a fellow student, athlete, and friend, Thomas Arguijo. He was a person that always had a smile and was always willing to help.

We also suffered the loss of a recent alumni, Katherine Hartnett. She was an outstanding history scholar, a National Honor Society member, as well as a person with a charming and warm personality.

We mourned with the nation the loss of the crew of the space shuttle, The Challenger. Many of us huddled together in the school library to receive that fateful news on a day that is etched into all of our memories.

These people have touched our lives in a way which we will always remember. Memories of these people will always be in our hearts as well as in our minds.

ACTIVITIES

Lasting Impressions

Glory Days

Here we go again!!

Let the Good Times Roll!!!!

The Best of Times!!

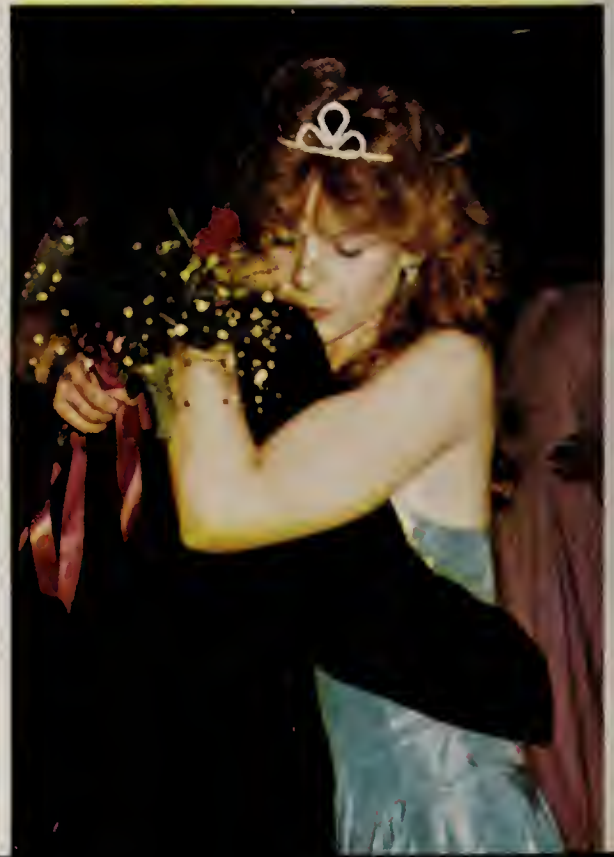

Caught in the Act!!

JUNIOR PROM

"Nights in white satin, never reaching the end . . . " Well we did reach the end of May 10th., 1985 and although the pages of the calendar have turned that date will always remain a part of our lives. Memories of soft lights, beautiful music, friends, and that special date have been etched in our hearts, and reflection on that wonderful event of our junior year will be met only by smiles. Though time has taken away that night, it will not be forgotten.

A Day in the Life of . . .

A day in the life of . . . a town official. Each year the school holds a mock election to show students what they have to do to be elected to an official position.

First, each person wishing to participate must obtain nomination sheet on which they must get twenty signatures to be nominated for any position. Then, the nominations are voted upon and on a designated day, each student participating meets with a town official to see what their job involves.

By having local government day, students are given the opportunity to par-

ticipate in town government and to give them a taste of what politics is all about.

After an informative day with their respective officials, students and their parents attended a dinner which was followed by a mock meeting in the town hall.

Articles of debate were argued among students and then they had the chance to vote on them. At the finish, Norm Soucie, town moderator, closed the meeting, and everyone departed with a sense of accomplishment and pride in their town.

WINTER CARNIVAL WEEK

February 10-13 was a fun-filled competitive week. The winners of the individual days were: Leicester Spirit Day, Juniors; Dress Up Day, Freshman, and "Hurray for USA Day", Freshman.

The yearbook staff initiated a new activity to Leicester High School this year. It was "Senior Servant Day". Seniors were bought from 5 to 100 dollars for a day's services. It was also Carnation Day.

Friday's Olympic Foolery was a day of fun and excitement. Each class strived to gain points in such events as

the wheel barrel race, the ping pong roll, and the tennis ball pass.

However, the seniors determination and enthusiasm allowed them to dominate the tug-of-war event and inevitably capture the first place title.

And the bid is up to?

Pull, Pull!

Can you do this in school?

THE PLAY'S THE THING

Everyone took their places, made a final prop check, and anticipated the drawing of the curtains with a deep breath. This was it, the long awaited moment, and that final instant of near panic when you seem to have forgotten all your lines. We were all in it together though, each knew each others lines, and we were ready!

"Oooh . . . what hit me? . . . and so began the senior class play with a line that assisted the conclusion of a previous movie, and was but a prelude to the actual "Hurricane Smith." With the line, 'Mr. Diamond?', "Hurricane Smith" began to unfold as a story within a story. We acted through our nervousness, developing our

characters and unfolding the plot. The lines were almost second nature as we spoke them before our unsuspecting audience. Miss Calcutta and Dr. Londonbridge saved the explorers club, Java-Java braved the villains, Hurricane Smith and Linda Zest proved that the garden of the golden monkey was real, and Gloria sold her film to Eddie.

Upon the inception of applause we released the long held deep breath, embracing and bowing at the success of our senior class play, "Hurricane Smith" and the Garden of the Golden Monkey . . . on Eddie Diamond production . . . directed by Eddie Diamond . . . screenplay by Gloria Daily."

"What did you think Mr. Diamond?"

Left: "I'll sue!"

Below: "Cobra, Cobra, hiss!"

"Your a fool and a madman."

Donkey Basketball

As the cry of "Whoa Nellie" exploded through the gym, the goal of getting the ball through the basket became secondary. The goal of not getting knocked off the donkey became first and foremost to everyone.

The three teams of seniors, juniors, and teachers battled each other, and embarrassment into the long night. As the crowd cheered for their favorite participant, the combatants cheered their donkey to do their thing. The spotlight may have become too much for the donkeys as their sudden stops spilled

many a competitor and the pooper scooper became more evident throughout the games. The donkey's quality of behavior also declined as the now ill-tempered donkey became less and less manageable.

In the end though, the Memorial School teachers came out on top. As cream rises to the top, so did the teachers defeating the High School teachers and finally the Senior Squad. Through it all, the bumps and bruises didn't matter anymore, because smiles were on everyone's face.

SPORTS

FIELD HOCKEY

The 1985 Wolverine field hockey team, coached by Eileen Donahue, finished their season with a record of 5-6-4. The team, led by Senior co-captains Maureen Gallagher and Charlene Spring, stuck together although the wins were few. Despite the size of the team, which consisted of only twelve individuals, the team still remained strong and dedicated. The Leicester

girls came within two games of making Districts, and ended their season with a strong third place in the Southern Worcester County League. As the close of the 1985 season arrived, the five Senior girls sadly played their final varsity game on October 31, 1985. They leave their intense desire and devotion to the future athletes of L.H.S.

(Above) Life is a series of trials and accomplishments.

(Above) Seniors Patti Newcomer, Kristen Messier, Chris McGrail, Charlene Spring, Maureen Gallagher.

THAT WINNING SPIRIT

The 1985 football season, led by second year coach, Tom Lauder, finished with a 4-6 record. The Wolverines were led by tri-captains Tim Keenan, Kevin Barry, and Steve Gustafson. The team was balanced by an equal assortment of Juniors and Seniors. Their hopes for an outstanding season were

high. They received a lot of support from the cheerleaders, student body, and faculty. Throughout the year, the coaches put in a lot of hard hours, and brought out the best in the players. Coach Tim Fontaine was the lineman coach, while Coach Lauder worked with the backs and ends. Tim

Griffiths and Fred LaFlash coached the J.V. team to a 5-3 record.

Although they did not boast the best record ever achieved at Leicester High School, their spirits were strong and their wills remain unbroken.

A NEW BEGINNING

The Leicester High Soccer Team has been a recognized team for two years. The first year, the J.V. Team, was undefeated. Because of their success as a J.V. Team, they were placed into Varsity Competition in their second year. During the second season, Coach Bryan Davis stressed to both the new and old players the fundamentals of the game, and

progress was made in the area of player expertise.

As a first year Varsity Team, their record was 0-16. This in no way stopped the team's spirit and eagerness to learn and to play. With a little more experience and practice behind them, the Leicester High Soccer Team will be a strong competitor in the near future.

Getting Better All The Time

Our Cross Country Team had a lucrative season in 1985, ending a three-year streak of near wins and misses that had plagued the squad since our Sophomore year. Ending with a 4 win — 10 loss record, the Wolverines of Leicester competed in the Wachusett Invitational Meet. The District III Meet and The SWCL Meet, in

which they placed third. Winning members of the team included Rich Granger, first place; Steve Johnson, second place; George Barthemus, third place; Kurt Fauerback, fourth place; Brian Jackman, fifth place; Scott Peterson, sixth place; and Kurt Gott, seventh place.

"A Swingin' Season"

The Leicester High School golf team qualified for Districts for the second year in a row. Micheal Larson and Jeff Johnson led the team with their fantastic action.

One of the highlights of the

season was their tie with Wachusett Regional, a fine Division I team. With many players returning the team is looking forward to a positive future golf season.

SURPRISE... SURPRISE...

The Leicester High School women's basketball team, coached by Sandra Nelson, captained by Charlene Spring and Moke Gallagher did just that — surprised them all!

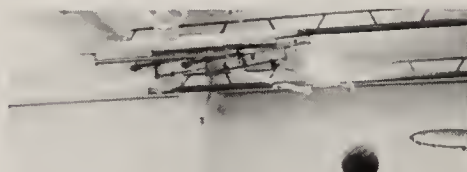

The season did not look too promising as the Wolverines lost their opening game to the Auburn Dandies 66-63. However, this loss didn't necessarily mean downhill for the girls as they captured seven straight victories to up their record to 11-4.

The annual Quaboag Tournament was just around the corner as the LHS girls anxiously anticipated another victory over their rival David Prouty. Breezing by the Panthers of Spencer to be challenged by Ware was quite an experience. The Wolverines were soon to face Quaboag Regional

High School in the championship game. Although defeated, the Wolverines held their heads high as they no doubt earned their position in the play offs.

The Wolverines met the 2nd seed team Uxbridge High School in the first round, defeating them 61-47. They proceeded to the semi-finals at Assumption College where they played the 3rd seed Blackstone Millville — capturing another victory 63-51.

The LHS "Cinderella team" went way beyond many peoples' expectations as they were headed for the Centrum on March 8 facing the #1 seed, Oakmont Regional. Although their performance was a tough one, the time and desire it took to get there is to be highly commended.

COMING ON STRONG

The 1986 LHS boys varsity basketball team was expected to bring Leicester out of the basement of the SWCL. The team had taken only three wins in the last two years. This year's team, under the direction of head coach George Albro and assistant Tom Lauder, doubled that output with a total of six wins in the 17-game season.

There were a total of five seniors on the team, including captains Norm Soucie, Kevin Barry, and Tim Keenan. Mike Provo and Steve Trudell rounded out

the senior squad.

Some highlights of the season were a triple-overtime win over Auburn and a home-court win over arch rival David Prouty. Leicester missed the Clark Tournament by two games, and was not eligible for any post-season play.

The team would like to thank coaches Albro and Lauder for their dedication and long hours of work. Also to be thanked are the fans and student body that supported us throughout the season.

A SPIRITED SUCCESS

The 1985 Varsity Football Squad, led by tri-captains Cathy Allen, Kelly Fitzgerald, and Pam Verick, cheered the football team through a 4-6 record.

As we made the transition from football to basketball, we prepared ourselves for an upcoming season of fun and excitement.

After spiriting the boys to a 6-11 season, we cheered as the girls basketball team made their way to the District E finals at the Worcester Centrum.

We also had the privilege

of competing in an invitational cheerleading tournament at the Centrum which preceded a fantastic game by the Globetrotters.

This year the Basketball Squad, captained by Pam Verick and Kelly Fitzgerald, entered two tournaments; one at St. John's High School and the 40th annual cheerleading tournament at David Prouty High School. Although the results were not optimal, we will always remember the excitement and great times shared by all who participated.

BOY'S TENNIS

The 1985-86 boy's varsity tennis team, led by first year coach John Graham, had another successful season with a record of 7-7. Led by four seniors, Tom Southwick, Keith Boivert, Tom Navaroli and Randy Streeter, they defeated schools such as David Prouty, Shepard Hill, South High and Uxbridge. Coach Graham helped to

teach the fundamentals of tennis as well as to help polish the skills already possessed by the team.

Above all, Coach Graham showed the team how to work as one. He proved that it did not matter if you played second doubles or first singles, your effort contributed to the outcome of the team as a whole.

GIRLS TENNIS

The 1986 girls varsity tennis team finished a rather disappointing season with a record of 3 wins and 11 losses. This season will be remembered as a rebuilding one, for this team has a very bright future ahead. This eleven member team has nine returnees. The two senior co-captains, Patti Newcomer and Cathy Allen fin-

ished their fourth year on the team. Of the above mentioned nine returnees six are very enthusiastic freshman who have learned an immense amount this year.

For the two senior members of the team, this season was definitely filled with exciting competition. Patti and Cathy, as well as the rest of the team, know that the

competition they have participated in and the learning of the game of tennis that they have experienced will be what they remember about the 1986 tennis season. These memories will bring smiles to the members of this team's faces, as they think back on this season.

Senior Girls Co-Capt.: P. Newcomer, C. Allen.

SMALL BUT SPIRITED

The 1986 boys and girls track teams had disappointing 3-8, 1-9 records. It was a year of personal triumph as well as anguish. Small numbers, and crippling injuries to both teams, hurt their competitiveness. Rich Granger and Trevor Friend, co-captains of the boys team, were unable to compete because of injuries. Kathy O'Donnell and Chris McGrail, co-captains for the girls team, tried hard to lead their small girls team to victory. Personal records as well as school re-

cords fell during the season. Kelly Lyons, and Brenda La-joie broke the school records in the javelin and the mile respectively. Tim O'Neil, Joe Kane, Jennifer White, and Kris Peterson had their success on the track. Mike Dickenson, Betty Burt, Jason Feldman and Jeff Guiney had personal bests in their field events. With many upcoming seniors and promising underclassmen the future looks very bright for both the girls and boys track teams.

WHERE SPIRIT COUNTS

This years Leicester High School Softball team's record was 5-12 overall and 4-10 in the league. Two of those victories were against long time rival David Prouty.

The first half of the season wasn't very prosperous for the team. However, the playing and experience improved.

The two co-captains of the team were Kristen Messier, a very responsible and versatile player who was

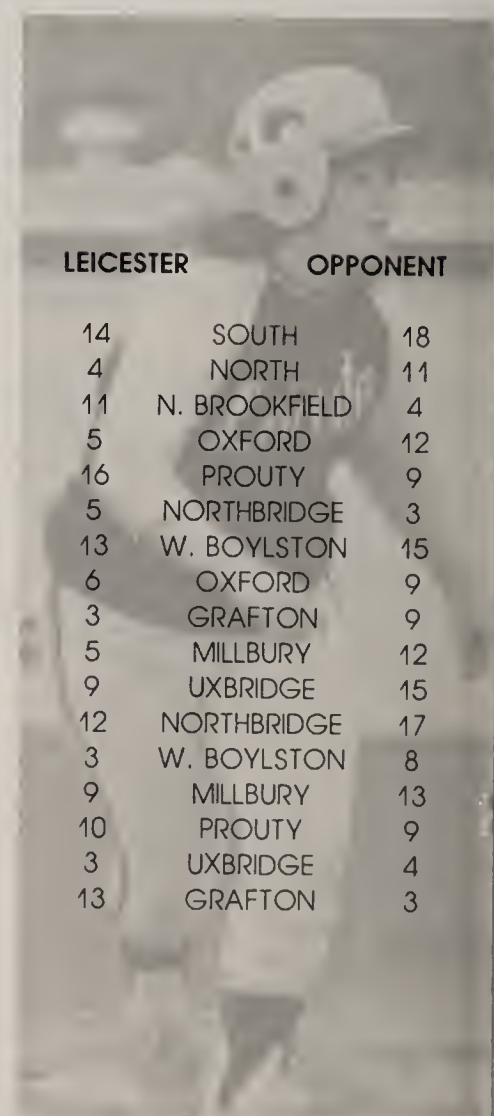

there whenever you needed her, and Donna Hodgerney, who led the team in triples, had the second best batting average and was a very strong, smart base runner. All around they were two very valuable assets to the team.

The team, which is very young, is expected to improve with age, and is looking forward to success in the future.

A CHAMPIONSHIP SEASON

The Leicester High baseball team enjoyed one of its finest seasons this year as it captured the Southern Worcester County League title finishing a most enjoyable year with an eleven and five mark. The Wolverines, who were not chosen to finish anywhere above fourth place, started the season losing to both South and North Brookfield in games which they could have won. However, despite the dismal start Coach George Albro rallied his men who went on to win seven consecutive league games. Suffering an embarrassing loss to the Woolies of Millbury

the Wolverines were able to regroup and win their last two games capturing a district berth and a league crown. Although the team lost to Quabbin in the first round of the district playoffs, Coach Albro and his mates must be proud of their efforts. Next year might be as successful as the Wolverines only lose four seniors and six starters will return. Being a player on this team, I will always remember the joy and happiness which came from being on our team. We were surrounded by men who knew how to, and wanted to win.

SCHOLARSHIP, LEADERSHIP, AND SERVICE

On April 29, 1986, within the dim auditorium, behind an aura of candlelight, the National Honor Society induction ceremony progressed. All members were dressed in long maroon robes, each having been chosen for the qualities of scholarship, leadership, service, and character.

Each quality was defined and described by 2nd and 3rd year members, each speech a prelude to our guest speaker, an alumnus

of Leicester High — Robert Kennedy.

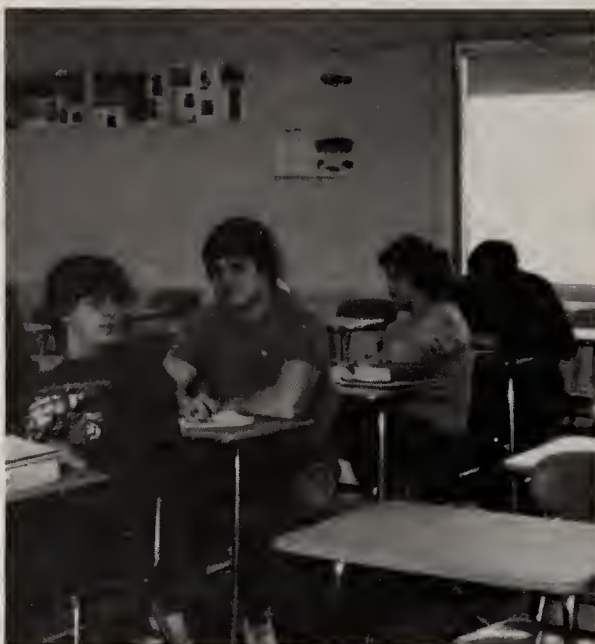

Those who had already been inducted into the Honor Society were given their respective year pins, and the induction of the 1986 candidates followed, each being presented with a certificate, membership card, and a year pin, as customary for all new members. Each inductee was presented with a candle as well, lit as these words were spoken by the president of Leicester

High's chapter of the National Honor Society, Patricia Newcomer: "As this candle gives light to you, so may you give light to others." The new members, with candles in hand, recited their pledge, and thus the formal ceremony concluded.

A reception in the school cafeteria followed during which the new members were congratulated and refreshments were served.

GRADUATION

*The Senior Class of
Leicester High School
requests the pleasure of your company
at the
Senior Dinner Dance
on Wednesday, the twenty-first of May
Nineteen hundred and eighty-six
at seven o'clock in the evening
Spencer Country Inn*

"The Greatest Night of All"

An unforgettable night for the Leicester High School Seniors began at 6:30 PM on May 21, 1986 at the Spencer Country Inn.

As the couples arrived arm in arm, they waited nervously in an extensive line to have their pictures taken by Casson & Foster.

As the line dwindled, there was another one formed in front of the large buffet, which was of great variety. The couples sat down to large platefuls of salads, roastbeef, turkey, and meatballs. The meal was very enjoyable, obvious by those who stood in line a number of times!

"Down East" performed

wonderfully for the LHS students as the first beat of the drum was their cue to escape from their tables and move on to the dance floor for a wild night of dancing. The floor was definitely the place to be as soon as the band performed the theme song "The Greatest Love of All". The couples became very intimate as they listened intently to the words of this beautiful melody.

As this unforgettable evening drew to a close, the crowd diminished, so as to leave merely four couples on the dance floor, to represent the grateful and memory-filled 1986 Leicester High School Seniors.

SPORTS BANQUET

Class Day

May 21, 1986

For three years we had watched other graduating classes proceed through their class day activities, never truly realizing what a special, emotional day it was for the graduates. But this year the 1986 class day activities were ours, and we were the graduating class. And as the other classes looked on, as we had always done, we realized the emotions that lie behind the words — Class Day.

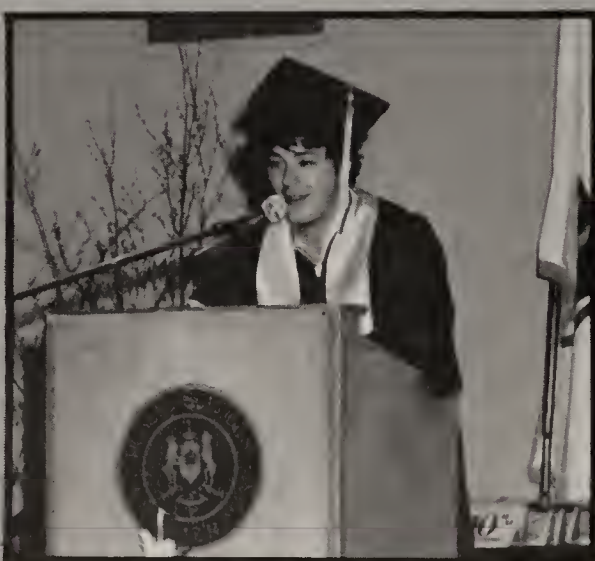

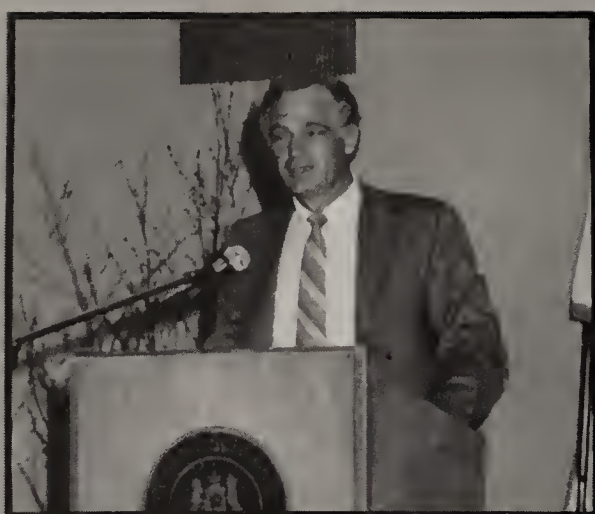

May 21, 1986, was the last day before graduation for us seniors to be together as a class, and as we sat in our designated seats in front of the stage, wearing our caps and gowns, we were exactly that — a class. All cliques were dispersed, all hard-feelings tossed aside and we sat together as classmates, sharing the last moments as seniors.

We proceeded into the gym to the tune of "Pomp and Circumstance", the welcome address was given and the class prophecy was read subsequently. The presentation of the department awards was next, followed by the presentation of the National Honor Society Awards, Junior League Service Award, and the Leadership and Service Award, after which the Boy and Girl Contributing Most to the Class of 1986 were honored.

When the awards were given out we clapped not only for our special friends but for all of our classmates.

A DAY TO REMEMBER

On May 12, 1986, two busloads of seniors, accompanied by Mr. Hennessy, Mr. Ayotte, Miss O'Neil and Mrs. O'Connor, journeyed to Frank Davis Resort in Moodus, Connecticut. Leaving LHS in warm sunshine, we arrived some two hours later (after several pit stops!!) amid cool cloudiness. Nevertheless, a strong determination to have a fantastic time conquered all, and the day was one of fun and laughter, scattered sunshine and many memories.

We were greeted by a man called Cuckoo, our host for the day, and received a warm welcome and introduction to the resort. The class split up in different directions in order to join the activities in which they wished to participate. These included; boating, canoeing, horseback riding, softball, basketball, volleyball and swimming. At high noon we enjoyed a cook-out with

plenty of hamburgers and hotdogs. This was followed by several swim competitions in frigid waters. Other competitions were held throughout the day between LHS seniors and two other New England schools, and as usual, the Wolverines were successful. However, we did find that since "our" guys were the only ones at the resort, they were often "borrowed" for various team games. A disc jockey provided top-40 songs in the afternoon, and many of us could be seen on the large dance floor "strutting our stuff".

A huge chicken barbeque served as our dinner, and ice cream sandwiches as dessert. Conversation and laughter complemented the meal. We departed an hour later, after a truly enjoyable day, tuckered out from a great time with our friends. It was a trip that will live the memories of Seniors forever.

Congratulations
To the Graduating
Seniors

Class of 1986

AN ENDING . . . A NEW BEGINNING

We assembled in Washburn Hall, nervously adjusting caps, amazed that the long awaited moment was here. The female graduates were each given a single, long-stem red rose, and we were arranged single-file, alternating boy and girl graduates, forming a long succession of maroon and white.

As we mounted the stairs to begin our parade down Mechanics Hall to the strains of "Pomp and Circumstance", final adjustments were made and we hugged for the last time as seniors for we were about to become graduates. And as we stood there on those stairs, we realized this was no longer a rehearsal, but the actual event — this, May 22, 1986 was our graduation.

We flawlessly filed onto the stage remained standing through the national anthem and invocation. The salutatory address was made by Tom Southwick, our class orator, Dan Avedikian gave his address which was then followed by that of

our valedictorian, Patti Newcomer. The class then sang the class song "The Greatest Love of All", perhaps not flawlessly but as a class. After this the scholarship recipients were awarded with comments by Dr. Rutter and Mr. O'Donnell.

Then came that which fulfilled the culmination of our four years at Leicester High School — the presentation of diplomas.

We accepted our diplomas with our left hand, shook hands with our right, and became graduates. We went through these motions row by row and when the last graduate had received a diploma, we stood together to sing our alma mater. The benediction and recessional followed. Leaving the stage with diploma in hand to Washburn Hall we assembled for the last time as a class.

As freshman we never would have believed how fast the time would pass, but there we were, graduates four years later, four years older, and four years wiser.

*The Class of 1986

Graduation
on Thursday, May 22, 1986
at seven thirty o'clock
Mechanics Hall
Main Street
Worcester, Massachusetts*

ARTISTIC VISIONS

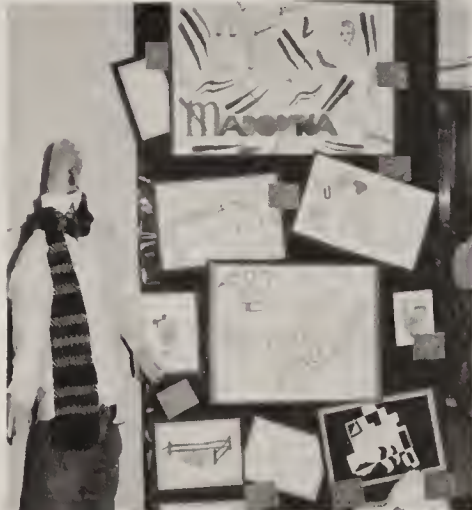

The Leicester High School Art Show is a combination of visual, dramatic, industrial, and performing arts. Home economics, technical drawing, metals, and architecture are also included. The Art Department, headed by Ms. Hurst, presents an annual Art Show where students display projects that they created during that year.

The Art Show began 12 years ago under the direction of Ms. Hurst. A central theme is discussed and voted on by all the students. Each person's display incorporates the general theme, tying all the works of art together.

A few weeks before the actual show, students mount their pictures, make their display signs, and work on their theme decorations. As time grows near, anxiety mounts and last minute details are taken care of.

The day of the Art Show students construct their display presentations in the gymnasium and cafe. The displays are admired by everyone and the Art Show goes over quite well. All in all, the annual Art Show is a chance for young artists to STRUT THEIR STUFF!!!
